

THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D.C. 20505

National Intelligence Council

15 March 1983

MEMORANDUM FOR: Executive Director
FROM : Chairman, National Intelligence Council
SUBJECT : Last Week's NIC Activity Report

Regarding your question on last week's NIC Activity Report, A/NIO/LA
 (Constantine is out of town) tells me "Face to Face" is a
longstanding program sponsored by the Carnegie Institute. They invite
US officials and foreign leaders in particular to address informal dinner
sessions, usually with Qs and As following the address. DDI analysts
and NIC officers are often invited to such affairs. In this case, Congress-
man Barnes was the featured speaker and Constantine attended as one of
many in the audience. He spoke to the Congressman briefly after the
event, but no intelligence information was discussed.
